

Our Base of Operations – Gunma Prefecture

Our main business area: Gunma, Tochigi, and Saitama Pref.

Position in the market of Gunma Pref.: Top market share in terms of both loans and deposits in Gunma

Attractive Market—Gunma Prefecture

Gunma Prefecture is located 100km from Tokyo and is renowned as an inland region abundant in nature. Industries have thrived in Gunma, notably transportation machinery and electronic equipment. Gunma has made a mark for itself as an industry-based area with a transportation network that includes highways and the Shinkansen. In addition to industry, the prefecture plays an important role in supplying the Tokyo Metropolitan Area with agricultural produce.
