With a view to fulfilling the social responsibility and public mission of a bank, it is indispensable to establish and implement a compliance management system. Thus, we regard compliance as one of the most important management tasks and will work together with all of our executives and employees to foster a corporate culture that emphasizes the importance of compliance.

#### **Compliance Management System**

The Board of Directors is the highest organization responsible for compliance, and its authorized Compliance Committee deliberates on important matters related to compliance. In addition, managers and personnel in charge of compliance are assigned to all departments and branches to ensure thorough compliance by raising compliance awareness of the executives and employees and providing

educational guidance to them. The Risk Management Department that oversees compliance, centrally manages compliance-related matters, and strives to develop and establish a system for compliance with applicable laws and regulations and a management system to protect our customers.

## **Compliance in Practice**

In order to put our "Corporate Philosophy" into practice, we have established "Corporate Ethics" as a basic policy for compliance and "Action Guidelines" as the criteria for

Further, we established "Compliance Guidelines" summarizing all matters necessary for practicing compliance, including "Corporate Ethics" and "Action Guidelines." By using these Compliance Guidelines in our training programs and study sessions, we aim to ensure the thorough

practice of compliance. In addition, the "Compliance Action Plan," which is a specific practical plan for fulfilling compliance requirements, is formulated annually by the Board of Directors, based on which measures should be taken. We are striving to further enhance and reinforce compliance by, for example, giving training at each department and branch, checking and monitoring compliance status using checklists and conducting consultations and guidance by visiting branches.

# **Internal Whistleblowing System**

We have established a system (Compliance Hotline) that allows all executives and employees to report violations of laws and regulations directly to the Risk Management Department and outside lawyers. This system has an important mechanism for protecting the confidentiality of whistleblowers and prohibiting disadvantageous handling of them, which results in ensuring the effectiveness of the system by protecting whistleblowers, and encouraging early detection of violations of laws and regulations.

## **Compliance Action Plan**

The Board of Directors formulates a Compliance Action Plan every year as a specific practical plan for enhancing and reinforcing compliance. In the Compliance Action Plan, the highest priority items are listed as common themes across the Bank. The Compliance Committee confirms the implementation status of the Compliance Action Plan every quarter, and the Board of Directors confirms the implementation status of the plan every six months.

#### **Measures to Protect Customers**

In addition to announcing a "Customer Protection Management Policy," the Bank assigns personnel in charge of customer protection management to each department and branch, allowing them to offer sufficient explanations about this to customers and handle consultations, requests, and complaints from customers in a timely manner. We are working to develop and establish an enhanced customer protection management system.

Our "Customer Support Office" handles customer complaints. In addition, we support the financial Alternative Dispute Resolution (ADR) system in which a designated dispute resolution organization settles conflicts from a fair and neutral position.

We have also announced that we would conduct foreign exchange operations adequately in compliance with the Global Code of Conduct for Foreign Exchange, and have released publicly our "Basic Policy on Foreign Exchange Transactions," which stipulates how to conduct foreign exchange transactions with customers and how to protect customer information within the transactions.

#### **Measures to Protect Business Partner** Information (Personal Information)

The Bank published a "Personal Information Protection Declaration" as our policy for appropriate protection and use of personal information obtained in connection with our operations by assigning personnel responsible for managing and supervising business partner information, including personal information throughout the Bank, and developing and establishing a management system to implement meticulous safety management measures and supervise outsourcers.

To protect specific information on corporate entities acquired by executives and employees, we have established measures to communicate and manage such information, and aim to prevent unfair transactions using such information.

## **Measures to Manage Conflicts of Interest**

Together with announcing a "Conflict of Interest Management Policy," we perform our business operations so as not to unduly harm our customers' profits, by properly managing transactions that may cause conflicts of interest between customers and the Bank or its Group as well as between customers of the Bank or its Group companies.

# **Severing Ties with Anti-social Forces**

Unfair intervention by anti-social forces can lead to a decline in confidence of a bank, making it difficult to ensure the suitability and soundness of business operations.

Based on the importance of the social responsibility of a bank, we take a firm position against anti-social forces in accordance with the three principles of "Prevent access to our funds, prevent use of their funds, and do not fear such anti-social forces and groups." We are working to suspend relationships with such anti-social forces.

Specifically, starting new solicitation and transaction activities for anti-social forces is banned, and transactions already made are reduced and eventually stopped when such transactions are discovered. In addition, we have introduced stipulations to exclude anti-social forces

In order to eliminate unreasonable claims from antisocial forces and transactions with such groups, we ensure the safety of executives, employees and related parties. The Bank and its Group companies take measures together and cooperate, on a daily basis, with external organizations such as the police and lawyers.

#### **Other Measures**

The Bank has established "Guidelines for Gifts and Entertainment" to eliminate acts that may lead to suspicion, distrust, misunderstanding, and criticism from society, and maintains sincere, fair, and transparent relationships with our business partners, and will strive to prevent a loss of social trust and confidence. The guidelines stipulate the type of gifts and entertainment that the Bank may give and the type of gifts and entertainment that the Bank may receive from business partners.
